

# Little Texas, Some Guys Have All The Love

(Porter Howell/Dwayne O'Brien)

(Track 1 - Time 2:52)

Some guys have all the luck  
There's gold in everything they touch  
But all of the work I've done  
Never did amount to much

I don't live what some call the good life  
But I've got a good life with you

Some guys have all the money  
Fame and fortune we all dream of  
But I thank the stars above me  
That I've got you and that's enough  
Some guys have all the love

No matter how good my plan is  
It always seems to come undone  
In a lifetime of takin' chances  
You're the only thing I've won

I'm still not what some call a winner  
But with you there's no way I can lose

Some guys have all the money  
Fame and fortune we all dream of  
But I thank the stars above me  
That I've got you and that's enough  
Some guys have all the love

Well I guess I'm what some call a dreamer  
But at least I've had one that came true

Some guys have all the money  
Fame and fortune we all dream of  
But I thank the stars above me  
That I've got you and that's enough  
Some guys have all the love  
Some guys have all the love  
Some guys have all the love
