

# Little Texas, What Might Have Been-(Little Texas)

Sure I think about you now and then,  
But it's been a long long time.  
I've got a good life now,  
And I've moved on.  
So when you cross my mind...

I try not to think about what might have been,  
Cus that was then and we have taken different roads.  
We can't go back again, there's no use giving in.  
And there's no way to know, what might have been.

We could sit and talk about this all night long,  
And wonder why we didn't last.  
Yes they might be the best days we will ever know,  
But we'll have to leave them in the past.

So try not to think about what might have been,  
Cus that was then and we have taken different roads.  
We can't go back again, there's no use giving in,  
And there's no way to know...  
What might have been.

The same old look in your eyes; it's a beautiful night,  
I'm so tempted to stay.  
But too much time has gone by; we should just say goodbye,  
And turn and walk away.

And try not to think about what might have been,  
Cus that was then and we have taken different roads.  
We can't go back again, there's no use giving in,  
And there's no way to know what might have been.  
No we'll never know...  
what might have been
