

Little Trees, Help I'm a fish (I'm a little yellow fish)

(Chorus)

I'm a little yellow fish in the deep blue sea,
will somebody help me?

I'm a little yellow fish in the deep blue sea,
will somebody save me?

Do you wanna know how
living is beneath the waves?

Do you wanna know how
everything I knew was changed?

(Bridge)

It wasn't such a big commotion,
all you need is magic potion
with a wriggle, a twist,
a splash and a splish, you're a fish,
Help me!

(Chorus)

Do you wanna take a whale bus?

Wanna meet a stupid shark?

Do you wanna ride a seahorse
or hide in an oyster park?

(Bridge)

(Chorus)

Life is strange at the bottom of the ocean,
you won't believe the things you see!

Stay ashore, don't give in to notions,
if you don't wanna be like me!

(Chorus)
