

# Little Walter, Just Your Fool

I&#039;m just your fool, can&#039;t help myself  
I love you baby, and no one else  
I ain&#039;t crazy, you are my baby,  
I&#039;m just your fool

I&#039;m just your fool, I must confess,  
to still love you baby, and take your mess  
I ain&#039;t lyin&#039;, no use a jivin&#039;,  
I&#039;m just your fool

You must be tryin&#039; to drive me crazy,  
treatin&#039; me the way you do  
I ask you please have mercy baby,  
let me be, happy too

If you gonna leave me, for someone new,  
gonna buy me a shotgun, shoot it at you  
I ain&#039;t lyin&#039;, no use a jivin&#039;,  
I&#039;m just your fool

I&#039;m just your fool, can&#039;t help myself  
I love you baby, and no one else  
I ain&#039;t crazy, you are my baby,  
I&#039;m just your fool
