

# Little Walter, Nobody But You

Nobody but you babe  
Nobody but you babe  
Nobody but you babe,  
you make my life complete

Started the ball a rollin'&#039;,,  
rollin'&#039; like a tumble weed  
Never stopped rollin'&#039;,,  
&#039;til ya grabbed my heart,  
and you know what I want to be

Nobody but you babe  
Nobody but you babe  
Nobody but you babe,  
my sugar, &#039;cause you sure is sweet

You put the lid on the pot,  
put the salt in the bread  
Made my life worth livin'&#039;,,  
and I&#039;m eatin'&#039; every word I said

Nobody but you babe  
Nobody but you babe  
Nobody but you babe,  
upset my very soul
