

# Little Walter, Tell Me Mama

Oh, tell me mama,  
who&#039;s that while ago  
Oh, tell me mama,  
who&#039;s that while ago  
Yes, when I come in,  
who went out that back door

Now that I come here mama  
I&#039;m gonna start a ragin&#039; stand  
You been out boogie-woogie&#039;n,  
there&#039;s somethin&#039; I don&#039;t understand  
I want you to tell me mama,  
who&#039;s that while ago  
Yes, when I come in,  
who went out that back door

Now this is somethin&#039;,  
I never seen before  
A man is gettin&#039; my money always,  
slammin&#039; my back door  
I want you to tell me mama,  
who&#039;s that while ago  
Yes, when I came in,  
who went out that back door

Oh, I had to wanna kneel down,  
you couldn&#039;t give the truth  
His hat in his hand and his,  
overcoat too  
I want you to tell me mama,  
why can&#039;t you be true  
Yes, when I came in,  
who went out that back door

He came by me runnin&#039;,  
smellin&#039; like a whiskey can  
My hat in his hand,  
and my overcoat too  
I want you to tell me mama,  
who&#039;s that while ago  
Yes, when I came in,  
who went out that back door
