Live, Heropsychodreamer

i'll kill you in my dreams i turn the other cheek during the day i'll kill you all

the subculture of my dreams is waiting for me to fall asleep i know you're scared, you should be k know you're scared

hero dreamer

this attic of my mind these feelings i can't hide i can't share i feel alone, ah yeah

the subconscious keeps me here i fell in love with a balladeer i saw your tongue, it licked my heart they called you queer

hero dreamer hero

they called you queer they called you queer they called you queer they called you queer
