

# Live, Supernatural

Built a king on compliments  
charisma, and advertisements  
Still They see him shimmering ephemeral  
if it ain't  
supernatural  
if it ain't supernatural  
Supernatural, or maybe  
It was an out of body  
experience, yes I flew around  
a hospital room once...  
on intravenous demerol  
...you weren't  
Supernatural.....if it ain't  
Supernatural, supernatural or maybe  
A sudden smell  
a certain view  
sparked a whoppin' case of the deja vu  
Is it inexplicable  
no, no, no it ain't  
supernatural  
Supernatural, OR MAYBE!  
Yeah!!
