

Livin Targets, Voices

SO LET OUR VOICES ROAR LIKE LIONS
CAUSE WE WON'T KEEP STILL AND QUIET
LET US STAND UP IN DEFIANCE
CAUSE WE AIN'T GONNA LIVE IN SILENCE
ANYMORE

awful shadows of the past
a countrys heavy heritage
are crawling through the city streets
while the nations fast asleep

SO LET OUR VOICES ROAR LIKE LIONS
CAUSE WE WON'T KEEP STILL AND QUIET
LET US STAND UP IN DEFIANCE
CAUSE WE AIN'T GONNA LIVE IN SILENCE
ANYMORE

rabble-rousing, toxic lies
poisoning the peoples minds
right wing liars shade the truth
we know where this will lead us to

so all my sisters, all my brothers
let us stand by one another
all my brothers, all my sisters
never let the white rose wither

SO LET OUR VOICES ROAR LIKE LIONS
CAUSE WE WON'T KEEP STILL AND QUIET
LET US STAND UP IN DEFIANCE
CAUSE WE AIN'T GONNA LIVE IN SILENCE
ANYMORE
