

# Living Colour, Flying

I jumped out the window to get to the parking lot  
I'm writing this little song on my way down  
Never in my life have I felt a heat so hot  
I had to get out

Such a lovely day to go flying  
The sky's so clear, the sun is shining  
Fate has given me wings  
Such a terrible funny thing

I was gathering up my nerve to ask out Carmen  
She glanced out the window  
Oh my God  
The room it went away, now we're holding hands  
Just not the way I planned

Such a lovely day to go flying  
The sky's so clear, the sun is shining  
Fate has given me wings  
Such a terrible funny thing  
Funny thing

I jumped out the window to get to the parking lot  
I'm writing this little song on my way down

Such a lovely day to go flying  
The sky's so clear, the sun is shining  
Fate has given me wings  
Such a terrible funny thing  
Funny thing  
Such a funny thing  
Funny thing  
Funny thing  
Such a terrible funny thing
