

Living Colour, Memories Can't Wait

(D. Byrne, J. Harrison)

Do you remember here?

No you don't remember anything at all

I'm here flat on my back

Never woke up - had no regrets

There's a party in my mind

And I hope it never stops

They party all the time

Gonna party till they drop

Other people can go home

Other people they can split

I can never stop

I can never quit

Take a walk through the land of the shadows

Take a walk through the peaceful meadows

Don't look so disappointed

Isn't what you hoped for is it?

There's a party in my mind

And I hope it never stops

I'm stuck here in this seat

And I may not stand up

Other people can go home

Other people they can split

I can never stop

I can never quit

Everything is quiet

Everyone's gone to sleep

I'm wide awake

But these memories

These memories can't wait

These memories can't wait...
