

# Living Colour, Postman

I am an angel, stands in the corner, nobody sees me  
Invisible angel, makes certain signals, only I know what they me  
Dogs and demons walks in my head  
I am deep under pressure  
I understand what I have to do now  
I know I'm just following orders  
They crucify me again and again  
I won't stay on the cross  
Nobody knows the trouble I've seen  
Nobody knows what I've lost  
Heavy things, in a heavy bag, heavy thoughts on my mind  
Ghosts and monsters, you bastard sinners, you've ruined my life  
I walk through a crowd, nobody sees me, I'm invisible here  
I've come to finish my mission and put an end to his fear  
They crucify me again and again  
I won't stay on the cross  
Nobody knows the trouble I've seen  
Nobody knows what I've lost  
Day in, day out, day in, day out  
Chaos and carnage around me  
Well I hear thier shouts and cries  
Well I laugh at the gut when they try to surround me  
They won't take me alive  
They crucify me again and again  
I won't stay on the cross  
Nobody knows the trouble I've seen  
Nobody knows what I've, nobody knows that it's  
Day in, day out, day in, day out, day in  
Nobody knows the trouble I've seen  
Nobody knows what I've lost
