

Living Sacrifice, Not My Own

Self perception of this reason.
Strive against this heart that's needing.
Accused by this lust of flesh and death world.
Born again...life.
Born again...peace.
Born again...love.
I am not my own.
Cannot contain. Disassociate my sorrow and pain.
All distortions of hate. Distortions of God.
Dissect. Massacre. Dissipate.
False hope in man.
False life adorned in destruction.
Failed life in death once ripped me open.
Now dissect. Massacre.
