

# Living Sacrifice, Obstruction

Being held fast by the cords of affliction  
Subjected to mental infiltration  
Conceived thought compromise obtained  
Appealing to desires fatal if remain  
Afflicted spirits  
Under the authority  
Christ proclaimed  
Obstruction cease to be

Depraved aphrodisiac wars against the soul  
Fulfilling strategies of complete control  
From the deep process of a darkened mind  
Twistedly emerge images of this kind

Legions of the air on this journey they lead  
Obsession inspired nurtures dormant  
Trouble is presented by an unjust gain  
Selfish ambitions that were plotted in vain
