

Living Sacrifice, Reborn Empowered

Reborn empowered
All strongholds broken
Old ways have died,
Given new life
Boldness engulfs my every word,
Strength empowered by God
Jesus
The strength in Christ's name
Power, all knees must bow
Same spirit that dwells in us,
Raised Him from the dead
This gift freely given,
You will believe
Evil, its plan to deceive,
Manipulation, deception we bind
Rebirth, confession,
That He is God, almighty
Reborn empowered
All strong holds
Broken old ways have died,
Given new life
Rebirth, confess, our Lord
