===Married===

</lyrics>

How the world can change, it can change like that, due to one little word - married

See a palace rise from a two room flat, due to one little word - married

Und das grau in grau, wird auf einmal blau, wie noch kein blau jemals war

For you wake one day, look around and say, somebody wonderful married me...

===Money Money===

</lyrics>

Money-money-money, money-money-money, money-money-money

Money-money-money, money-money-money, money-money-money

Money-money, money-money

Money makes the world go around, the world go around

The world go around, money makes the () go around

Of that we're really sure, (thrrr) on being poor

Money-money-money, money-money-money, money-money-money

Money-money-money, money-money, money-money, money-money

Money-money, money-money, money-money

When you haven't any coal in the stove and you freeze in the winter

And you curse to the wind at your fate

When you haven't any shoes on your feet, your coat's thin as paper

And you look thirty pounds underweight

When you go to get a word of advice from the fat little pastor

He will tell you to love evermore

But when hunger comes a rap, rat-a-tat, rat-a-tat at the window

See our love flies out the door

Money makes the world go around, the world go around the world

Money makes the world go around, the clinking clanking sound of

Money-money, money-money, money-money, money-money

Get a little, get a little, money-money, money-money

A mark, a yen, a buck, or a pound,
