

Liza Minnelli, Old Friends (Live)

Hey! old friend
What'd'ya say, old friend
Are you okay, old friend
Are we, uh, are we unique

Time goes by
Everything else keeps changing
You and I
We can continue next week, yeah

Most friends fade
Or they don't make the grade
New ones are quickly made
And in a pinch
Sure, they'll do

But us, old friend
What's to discuss, old friend
Here's to us, who's like us
Damn few

Old friends
No I mean old friends
