

Liza Minnelli, Quiet Thing (Live)

It's described almost perfectly in a song
that's from that show I was talking about from Florida.
I hope you like the song.
This is my favourite song.

When it all comes true
Just the way you'd planned
It's funny but the bells don't ring

It's a quiet thing
When you hold the world
In your trembling hand
You'd think you'd hear a choir sing
It's a quiet thing

There are no exploding fireworks
Where's the roaring of the crowds
Maybe it's the strange new atmosphere
Way up here among the clouds

But I don't hear the drums
And I don't hear the band
The sounds I'm told
Such moments bring

Happiness comes in on tip-toe
Well what'd'ya know
It's a quiet thing
A very - quiet - thing...
