

Lizz Wright, Open Your Eyes, You Can Fly

Never be afraid to love
Never be afraid to just be
Cast away the chains of doubt
Have a courage to be free

Don't cloud your eyes with others' lies
See only what you wanna see
Duplicate this simple truth
Have a courage to be free

Open your eyes, you can fly
Open your eyes, you can fly
You can fly
You can fly

Never be afraid to love
Never be afraid to just be
You got to cast away the chains of doubt
Have a courage to be free
Don't cloud your eyes with others' lies
See only what you want to see
Just duplicate this simple truth
And have a courage to be free

Open your eyes, you can fly
Open your eyes, you can fly
You can fly
You can fly

[solos]

Open your eyes, you can fly
Open your eyes, you can fly
You can fly, yeah
You can fly, yeah

Never be afraid to love
