

Lizzo, Better In Color

Black, white, ebony
All sound good to me
Two tone recipe
Got good chemistry
J. F. Kennedy's
Kiss - who's celebrities
Don't matter to me
'Cause I like everything

You can be my lover
'Cause love looks better in color
(Yeah, yeah, yeah, yeah, yeah)

Big dick energy
Tastes like collard greens
Big ass patty cake
Hey, happy days
Bitch don't label me
I'm mean, famously
Nobody's safe, nobody
You and you and you and

You can be my lover
'Cause love looks better in color
(Yeah, yeah, yeah, yeah, yeah)

Color
Love looks better
Love, love looks better
(You know it do)
In color
Oh, if I try to tell you then you try to hurt me
Ya'll don't hear me

Sick six piston
Tiptoe kissin'
Catcall kittens
Whole milk lickin'
See my vision
Rainbow smitten
It's easy baby, got the whole world for the pickin'

You can be my lover
'Cause love looks better in color
(Yeah, yeah, yeah, yeah, yeah)

Color
My whole world o' color, babe
Love looks better
Love, love looks better
In color (Rainbows and shit)
Oh, if I try to tell you then you try to hurt me
I'mma tell your momma

Color me, color me, color me, color me
Color me, color me, color me, color me
Color me, color me, color me, color me
Color me, color me, color me, color me

Yeah, you can be my lover
'Cause love looks better in color
(Yeah, yeah, yeah, yeah, yeah)
It's dark under the covers but love looks better in color
