

# Lizzo, Exactly How I Feel (feat. Gucci Mane)

That's exactly how I feel  
That's exactly how I feel  
That's exactly how I feel

I woke up this morning  
Wrong side of the bed  
I don't have to 'splain it  
Oh  
I might be a bitch  
I might make a friend  
Ain't I so amazing?

Love me or hate me  
Ooh, I ain't changing  
And I don't give a fuck, no

That's exactly how I feel  
That's exactly how I feel  
That's exactly how I feel

Don't hide no emotions  
Wear 'em on my sleeve  
All my feeling's Gucci  
Can't hold back my tears  
That would be a crime  
'Cause I look pretty cryin'  
Oh, they ain't tell you?

Love me or hate me  
Ooh, I ain't changing  
And I don't give a fuck, no

That's exactly how I feel  
That's exactly how I feel  
That's exactly how I feel

I feel like hurtin' they feelings  
I don't get mad, I get millions  
My heart ain't got no feelings  
My cars ain't got no ceiling

I ain't with that actin' all friendly  
Please step away from the Bentley  
You're either not with me or with me  
They fire close by like it's Whitney

Stay in your lane, don't tempt me  
Mr. Bust a whole clip till it's empty  
I got a feelin' that tonight's gonna be a good night  
Like Ferg and them said, God willing

Fire chains on like brr  
Feelin' like rockin' my fur  
Rolls Royce with the chauffer  
How your toes feel on a mink fur?  
It's Gucci

Cry 'cause I want to  
Smile if I want to, huh  
Yes, I can  
Love 'cause I want to  
Get so mad I could scream  
I could scream  
I could scream

Yeah, yeah, yeah, yeah

That's exactly how I feel  
That's exactly how I feel  
That's exactly how I feel
