Bitches, uh

Do you see this shit? I'ma spazz
I'm about to knock somebody out (girls)
Yo, where my best friend?
She the only one I know to talk me off the deep end (ah)
'Cause that's my girl, we codependent
If she with it, then I'm with it
Yeah, we tussle, mind your business
Zu, zu, zu, zu, zu-su-lu
That's my girl, we CEO's
And dancin' like a C-E-ho
We about to throw them bows
Let's fuck it up
Where my girls, where my girls at? (woo, hoo)
Where my girls, where my girls at? (woo, hoo)

Where my girls, where my girls at? (woo, hoo)

And hit the boosie ratchet with my friends

If she with it, then I'm with it
