Lizzo, T-Baby

Tar baby
Tar baby
Tar baby
Tar baby
Got it in the bag

Kiss me on my ego, tell me what one tastes like I've never been the proud one, kicked it hard in stage right Ego's can take a pounding, when the mind's dim and the light's bright Too bad for you, that your ignorance is in hindsight In retrospect, remembering the time I was derelict More like Derelicte, I made homeless chic Kick it in the Subaru Played a show, showered at the gym, and slept at the studio My Lean Cuisine was a ramen noodle but you know I rocked that

Black mask, black sash (trick)
Pull up, silence, gasp!
Big girl, small world (thick)
I got it in the bag
Tar baby

Sent the flying monkeys out

Get up on the level that I'm talking bout Feeling like a rebel in the melting pot

Oh, you got figures so I'm jelly huh?

Oh, you're fairly smug that's embarrassing

Biting on your black tongue

Came a long way in this thing so you can't label me as a "nigga with a microphone"

Dorothy Dandridge

Got it in the bag

Chuck Berry

Michael Jackson is

Black excellence

My girl, you silenced

Michael, you de-Princed

Chuck B. put a white girl in his car and he crossed the line so you fenced him in them prisons?!

Who is "you?"

I'm talkin' to vou

You know who you are

The reason I can't be a black star without your black card

Swipe swipe to the corporations

Salute give you salutations

Look down at the graves you've spit in

(These niggas trippin')

Black mask, black sash (trick)

Pull up, silence, gasp!

Big girl, small world (thick)

I got it in the bag

Tar baby

Got it in the bag

Hardest working woman in the T.C.? Hardly, I feel lazy I was eating ph□when I wrote this Fever, 103
Met some cool Minnesotans, but really Some of y'all need a lesson from Lazerbeak

I rock that Rock that, rock that (Baby)
