

Lizzy McAlpine, Over-the-Ocean Call

Does this make sense to you?
'Cause it doesn't make sense to me
Does this have weight for you?
'Cause it doesn't have weight for me

And I think my mind is far away
Sort of strange, this is
But I think I'll call you anyway
Call collect, 'cause baby this is

An over-the-ocean call
And I thought I could make it short
But my brain's all out of sorts
I can't hide it
And I'm staring at my wall
And I thought that I wouldn't cry
But breaking your heart breaks mine
I can't hide it
An over-the-ocean call
Is how I told him
This isn't working anymore

I needed space from you
But this doesn't look like space to me, oh
And you hate the things I do
And sometimes you hate me

But I think my mind is far away
Sort of strange, this is
But I think I'll call you anyway
Call collect, 'cause baby this is

An over-the-ocean call
And I thought I could make it short
But my brain's all out of sorts
I can't hide it
I'm staring at my wall
And I thought that I wouldn't cry
But breaking your heart breaks mine
I can't hide it
An over-the-ocean call
Is how I told him
This isn't working anymore

I'm fine, I'm fine, I'm fine
I'll call from over the ocean
This time, this time, this time
I'll break your heart through the phone, I
I'm fine, I'm fine, I'm fine
I'll call from over the ocean
This time, this time, this time
I'll break your heart through the phone, I
I'm fine, I'm fine, I'm fine
I'll call from over the ocean
This time, this time, this time
I'll break your heart through the phone

With an over-the-ocean call
And I thought I could make it short
But my brain's all out of sorts
I'm staring at my wall
And I thought that I wouldn't cry
But breaking your heart breaks mine
An over-the-ocean call

Is how I told him
This isn't working anymore

Let me count all the freckles
On your arms alone
Let me smooth out the wrinkles
In the nicest shirt you own
Oh to love you is sweet like a peach
I think your laugh is my cure
Oh to love you is summer in reach
Kiss me and tell me I'm yours

Andrew, I'm falling
Without a warning
Until the morning
Don't let me go
Don't let me go
Just kiss me slow, oh
I love you, you know
