

Lizzy McAlpine, reckless driving

I didn't mean to kiss you
I mean I did, but I didn't think it'd go this far
I didn't mean to kiss you
Now you can't focus on the road when I'm in your car

Now we're going one hundred, your hands aren't on the wheel
'Cause you're just staring at me like you're not convinced that I am real
And now we're at one-eighty and I can finally see
But then it's over in a second, crashed the car into the tree
Yeah, I can see it all happen, you'd rather die than take your eyes off me

I don't love you like that, I'm a careful driver
And I tell you all the time to keep your eyes on the road
But you love me like that, you're a reckless driver
And one day it will kill us if I don't let go

I don't know how to tell you
That I feel safe when you sit shotgun
Never felt this way with no one
And I lie when I tell ya
I know exactly where we're going
I get lost just for this moment

And now we're at one hundred, my hands aren't on the wheel
And I don't wanna lose this moment, want you to know just how I feel
And now we're at one eighty and I can finally see
But then it's over in a second, crashed the car into the tree
I don't know how it happened, guess I'd die to keep your eyes on me

'Cause I love you like that, I'm a reckless driver
You tell me all the time to keep my eyes on the road
Do you love me like that? If I keep on driving
Would you hold me when we crash or would you let me go?

Don't wanna scrape you off the pavement
I can't be your savior
I don't wanna be here when you lose control
Don't wanna watch it as it happens
See the crowd's reaction
I don't wanna be here when you kill us both

'Cause I don't love you like that 'cause I love you like that
I'm a careful driver I'm a reckless driver
And I tell you all the time you tell me all the time
To keep your eyes on the road to keep my eyes
But you love me like that do you love me like that?
You're a reckless driver if I keep on driving
And one day it'll kill us would you hold me when we crash?
If I don't let go

'Cause I don't love you like that 'cause I love you like that
I'm a careful driver I'm a reckless driver
And I tell you all the time you tell me all the time
To keep your eyes on the road to keep my eyes
But you love me like that do you love me like that?
You're a reckless driver I'm a reckless driver
And one day it'll kill us if I
