

LL Cool J, Illegal Search

Yo baby
Put your seatbelt on
I got my paperwork, don't worry

(The Flex)
Illegal search

(Do you wanna see it?)

(I'm gonna do it)

(VERSE 1)
What the hell are you lookin for?
Can't a young man make money anymore?
Wear my jewels and like freak it on the floor
Or is it my job to make sure I'm poor?
Can't my car look better than yours?
Keep a cigar in between my jaws
I drink champagne, to hell with Coors
Never sold coke in my life, I do tours
Get that flashlight out of my face
I'm not a dog, so damn it, put away the mace
I got cash and real attorneys on the case
You're just a joker perpetratin a ace
You got time, you wanna give me a taste
I don't smoke cigarettes, so why you're lookin for base?
You might plant a gun, and hope I run a race
Eatin in the messhall, sayin my grace
You tried to frame me, but it won't work
Illegal search

(The Flex)
Keep on searchin

(L.L. Cool J)
I'm totally relaxed

(The Flex)

(VERSE 2)
I call it nice, you call it a 'drug car'
I say 'disco', you call it a 'drug bar'
I say 'nice guy', you call me Mr. Good Bar
I made progress, you say, 'Not that far'
I just started it, you're searchin my car
But all my paperwork is up to par
It's in my Uncle's name, so the frame won't work
Chump - illegal search

(The Flex)
Keep on searchin

(L.L. Cool J)

Illegal search

You won't find nothin

(VERSE 3)

On the turnpike, and everything's right
In the background is flashin lights
Get out the car in the middle of the night
It's freezin cold, and you're doin it for spite
Slam me on the hood, yo, that ain't right
You pull out your gun if I'm puttin up a fight
My car, my clothes, and my girl is hype
But you wanna replace my silver stripes
You're a real man, your uniform is tight
Fingerprint me, take me name and height
Hopin it will, but I know it won't work
Illegal search

(Do you wanna see it?)

(L.L. Cool J)
Hey yo, Marley

(VERSE 4)
I was sued to court, the case got thrown out
I'm that man that you all read about
Put me in jail, you're doin it for clout
I only got one question: what's that all about?
Jail is somethin that I can do without
Case dismissed, and now you wanna pout
You feel like tryin it again, but you know it won't work
Illegal search

(The Flex)
