

# Lloyd Banks, Squeeze First

[Chorus: Lloyd Banks]

I'm A Squeeze First Ask Questions Last  
Thats How Most Of These So Called Gangstas Passed  
So I'm A Squeeze First Ask Questions Last  
And If I Pull It I'm A Pop It So Stay Out Of My Way  
Cause I'm A Squeeze First Ask Questions Last

[Verse 1: Lloyd Banks]

I Ain't The Richest But I'm Richer Than Ya'll  
Banks Is Like A Young Will Chamberlan, All I Do Is Fuck Bitches And Ball  
Eighteen Niggas'll Splatter You For Talkin' That Shit  
You Might As Well Hire A Doctor To Walk Around With  
Nigga Your Own Blood'll Soak Your Clothes  
And I Ain't Worried About You Comin' Back  
Cause You Can't Smell Beef With A Broken Nose  
From Now On Keep Your Cars And Your Homes Tinted  
Your Peice'll Shine If You Had Some More Stones In It  
If You Ain't Dunkin' Or Dumpin' Then Go To Hell Homes  
Cause The Only Clip On Your Hip Hold Your Cell Phone  
I Know You're Focused You've Been Writin'  
But All Your Beggin' Is Chewin' Off My Ear Like Tyson  
I Need A Bag Big Enough To Get My Mens Straight  
So I'm A Need A O Dog, And I Ain't Talkin' Like Larenz Tate  
A Og Told Me To Market With The Block  
He Been Around Since They Hit Martin With The Rock  
Don't Make Me Send Niggas To Your Apartment With The Glock  
They Eat All Your Food Up And Stomp You In You're Socks  
I Got Rocks And Niggas Can't Afford To Buy It  
Thats Why I Got Beef Bigger Than Kelly Price Before The Diet  
You Ain't Gonna Stain Up My Sheets So I'm A Chose The Couch  
And If You On Your Period You Got To Use Your Mouth  
Some Remain And Some Switch When The Hos Got Us  
Thats Why I Know More Tricks Than The Globe Trotters  
We'll Rush Your Studio Maskin' Our Picture  
Make You Stutter, And Say Your Verse Faster Than Twista  
You Ain't Headin' In Here  
Cause When We In Hotels They Got To Lock The Floor Down Like The Presidents There  
You Would Think Givin' Top Is A Problem  
But My Bitch Can Suck Dick With Braces On Without Poppin' The Condom  
All The Groupies Want To Show They Face  
After The Shows, They Follow The Cars Longer Than The O.J. Chase

[Lloyd Banks:]
