## Lloyd Cole, 2cv

it's the french 'deux cheval' not the literal 2cv. he ryhmes it with blue.

she drove her mother's car, 'twas a deux cheval i was most impressed by her casual dress i was most impressed inside her rented room colored deepest blue i suppose we found some kind of happiness she drove her mother's car, 'twas a 2cv i was most impressed by her casual dress i was most impressed inside her rented room colored deepest blue i suppose we found some kind of happiness
