

Lloyd Cole, I Will Not Leave You Alone

well you could put me back down where you picked me up
and send me to from where i came
and you could ask me to leave and i'd be on my way
and i would not complain
and i will not leave you alone

well i could steal your car if it might get you started
thinking that you might be mine
well i could grow my hair i really would not care
if i could be your valentine
and i will not leave you alone
well you could put me back down where you picked me up
and send me to from where i came
and you could ask me to leave and i'd be on my way
and i would not complain
and i will not leave you alone

well i could steal your car if it might get you started
thinking that you might be mine
well i could grow my hair i really would not care
if i could be your valentine
and i will not leave you alone
i will not leave you alone
