Lloyd Cole, My Way To You

well the last thing that you knew
he was walking out on you
to the point of no return
where i found you

when i couldn't find my way home
i could always make my way to you
when i couldn't drink myself sober
i found you
i found you
i found you

well the last thing that you need now
is a shoulder there to bleed on
but i believe i've seen light
coming through you, yeah yeah

when i couldn't find my way home
i could always make my way to you
when i couldn't drink myself sober
i found you
baby i found you
i found you

when i couldn't find my way home
i could always make my way to you
when i couldn't drink myself sober
i found you
i found you

i couldn't find my way home
but i found you
i couldn't find my way home
but i found you
i couldn't find my way home
but i found you
i couldn't find my way home
i couldn't find my way home
but i found you
i couldn't find my way home
but i found you
i couldn't find my way home
