

Lloyd, Miss Lady

You're in my life everyday
Involved in every single little thing
I do it's because of you
I'm the man that i am
And no one can ever replace ur love

(Hook)

You're my auntie, my sister, my mother
Sharing my story unlike no other
Stay as amazing as you are
Stay as beautiful as you are
Stay as true as you are Miss Lady

(Chorus 2x)

Miss Lady
(as loving as a girl could be)
Miss Lady
(Ur love, its means the world to me)
Miss Lady
The Reason that I got so far,
whenever times got hard you pulled me out the dark
