

# Lloyd, My Valentine

(Verse One)

Head Rush  
From a touch  
My emotions erupt  
Realize that I'm stuck  
Trapped inside of her seduction  
Losing my mind each and everytime, she's around (o0 yea)  
'Tell Scotty "Beam Me Up", Am i In Another World?  
Oh Ms. Lady Luck, I done met the perfect girl  
So could this be true lovin, that I found?

(Chorus)

Don't know what to do, So baby I  
Give My heart to you, My Valentine)  
Through and through, a thousand times  
It feels so true this Love of mine

So what do I do, Baby I  
Give my heart to you, My Valentine  
Through and Through, a thousand times  
It feels so true, This love of mine

(Verse two)

Seems daily we growin', Baby ain't no rush  
With a clutch Bring Me down, Show it up til it show enough  
Girl my heart's Sending Pain To My brain,..I'm in love  
(o0 Yeah)  
And My Building feels like a million bucks  
Tell Cupid i been Struck, But too Late Couldn't duck  
Thank the lord everyday,  
You must be heaven sent from above  
(Ohh Baby)

(Interlude)

And I don't know what to do, I can't stop loving you  
But it's cool 'cause I know you're the truth, so I can't deny to myself  
That I'm crazy over you, now my heart beats for two

And it just ain't enough to letcha know  
Girl you gotta feel it in your soul

(Chorus)

Don't know what to do, So baby I  
Give My heart to you, My Valentine  
Through and through, a thousand times  
It feels so true; this Love of mine

So what do I do, Baby I  
Give my heart to you, My Valentine  
Through and Through, a thousand times  
It feels so true, This love of mine

(Hook)

If this is a dream don't wake me  
The thought of being with you just takes me  
TO the moon and the stars  
The world revolves around my heart  
Travelin' at the speed of light  
And my heart beat thunders with the thought  
Of Just one night with you (Yea)  
You are my dream come true  
I only dream of you (Oh Baby)  
You are my dream come true

(I can fly)

(Chorus)

Don't know what to do, So baby I  
Give My heart to you, My Valentine  
Through and through, a thousand times  
It feels so true this Love of mine

So what do I do, Baby I  
Give my heart to you, My Valentine  
Through and Through, a thousand times  
It feels so true, This love of mine (repeat 2x)
