

Lloyd, Want You

Want You (ft Lil Wayne)

(Lil' Wayne)

It's major move right here baby
You gotta get with it or get lost, ya understand

(Lloyd)

Yeah...it's young Lloyd
Reportin' live from Atlanta Georg (yeah weezy F baby)
The game over here is great and ah
I want all my sexy ladies to report to the dance floor immediately
We gon' go and glide this one off

(Lil' Wayne)

Yeah right off the bat mine boy got dollars
Some women come freak one night, flight mileage
It ain't no secret, I might holla but i gon' sweatcha
Baby I'mma let cha catch up withcha game, run fasta
Don't let 'em lose ya cause I ain't gon' bless ya
Unless you feel a lil desperate
Send a nigga a text message girl

(Lloyd)

Stop! ... wait a minute
The way you move that girl you done got my heart all in it
And I just wanna be with you tonight girl please I'm a playa yeah it's true
But I'll change the game for you, I wanna see what it do

(Chorus)

Can I be for real, this is how I feel
I'm in need for love so let's dip up out of here
Ooh you're just my type, everything's alright
And I just wanna chill so let's dip up out of here
Dip up out of here

(Lloyd)

I'll admit it this just ain't no game
It's just words that I'm spittin
If you could see the thoughts that's in my head
I'm trippin' I'm a playa yeah it's true
But I change the game for you, I wanna see what it do

(Chorus)

(Lil' Wayne)

Weezy F Baby, the key to the ladies, keys to the 'cedes
But please say da baby weed and patrone
Even in the A.M. we should be alone
We could get a date in, you like what i'm sayin'
Then come around the way and we could go inside and stay in
Tell a homeboy your stayin', you've been takin'
Gone...turn me on and I'mma turn him OFF
You know I love you like good food, you know you fuckin' with a good dude
You know you give good brain like you graduated from a good school
You know I'm a good move you should do... me
So hey shawty what it is, tha carter who it is
Hey shawty do it big, tha party at my crib
That's party in the hills, you call it what you want
But she gon' call you what she feel, OW!

(Chorus)

(Lil' Wayne)

I ain't done a bout with a nigga ya know what I mean

Me and lil' lloyd baby long hair don't care
Hey what up ron I see you baby...yah
It's major move right here baby
I ain't talkin' fast you just listenin' slow you hear me
You ain't tryna heard me then don't hear me but I'm outa here
