

# Llyod, Get It Shawty

I guess If I can't let this woman slip away  
Cause I got my eye on you  
I see ya lookin' over your shoulder  
Let me make my way over  
Excuse me miss lady, how ya doin'  
your body lookin' right  
you're the type i like  
and, I'm pursuin'  
can I get a little closer  
so I can get to know you and exchange names and thangs  
before the night is over

All I really want is  
for you to back it up  
go on and put your weight on it  
cause it's alright  
do what you wanna  
make me believe ya  
I wanna see ya

Get it shawty

so baby whatcha gon' do?
