

LMNT, Get It All

I just want to get it all from you

here we are in the middle
of a perfect chance to get down
don't question it, don't

we can flow for a little
but you're about to make me bust out
if i can't have some love
gotta have some love

you got me trippin' on ya babe
it's almost more than i can take
you got me thinkin
there's so many things i wanna do
tonight, time is right
just wanna play and hit rewind
on your love
cuz i just can't get enough

I just want to get it all from you
everything you want i got it too
baby give it up it's what i need
cuz you know you'll get it all from me
oh oh

you got me trippin on ya babe
you got me trippin baby yeah
you got me trippin on the way you

Lets get close
baby closer
cuz i'm feelin you all over
all over baby i like
how you move, move your body
i like what you got
so don't you stop
about to make me wanna

tonight, time is right
just wanna play and hit rewind
on your love
i can never get too much oh oh

I just want to get it all from you
everything you want i got it too
baby give it up it's what i need
cuz you know you'll get it all from me
