

LMNT, Too Bad Baby

Too bad baby

Can this be?
Is there something wrong with you and me?
Guess we'll see
I confess
I don't know how we got into this mess
Might have guessed
Day by day
Slowly running out of things to say
So I may
Ask you why
Is it always me
Who has to try
To make this feel right
You never tell me what you feel inside
I thought you loved me
Now I realize
No matter how I try
You never seem to be
Satisfied
And now you're telling me

(chorus)
It's too bad baby
That you're so good to me
Holla at you
You loved me
Too bad baby
You're so into me
I can't breathe
You fall in love too easily
It's too bad baby
That you're so good to me
Holla at you
You loved me
Too bad baby
You're so into me
I can't breathe
You fall in love too easily

Me and You
Slowly running out of things to do
Nothing new
I don't know
Just why we don't agree
When I say yes
You say no
Don't be shy
Just tell me why is it that
We don't see eye to eye
So confused
I'm feeling helpless
And I'm feeling used
Like yesterday's news girl
You never tell me what you feel inside
I thought you loved me
Now I realize
No matter how I try
You never seem to be
Satisfied
And now you're telling me

(repeat chorus)

It started from the day I met her
for me I let her
My friends told me to go and get her
Now they're telling me forget her
Too bad baby
Think I'm going crazy
Someone take me
Nothing's gonna save me

(repeat chorus)
