

# Lobo, Everyday Is My Way

(Kent &quot;Lobo&quot; LaVoie)

I used to wake up worrying  
'Bout what I had done before  
Instead of being happy with what I had  
I was always looking for more  
Had to make more bread  
Had to get ahead of the people  
Living next to me  
But like a big Dumb Dumb  
I was the one...  
I was sticking it right to me

Well it took some time but I found my mind  
And now I'm looking after myself  
I found I can give in now  
I have more friends  
And friends are people who help  
It's much more fun just being someone  
Instead of trying to be someone great  
I saw the light now I'm not uptight  
I made it 'fore it was too late

And now I can't wait to wake up mornings  
And look myself in the face  
I like being right where I am  
Not looking for some other place  
I am what I am and I like what I am  
And now my life feels right  
I'm happy to say I found my way  
Everyday is my way of life
