

Lobo, Is This Guy Not Supposed To Cry

(Brooke Chamberlain)

Look into my eyes
You expect to see, a smile
What do you expect
When you'll be gone for such a long while

I tried so hard to keep a straight face
But it seem to be so much out of place
I love you, I love you, I love you, I love you
I do

Who is this guy not supposed to cry
When you say bye bye
Is this guy not supposed to die
When you say bye bye

Well what am I supposed to do
Stand up and laugh a while
I hate to disappoint you
But I can't even smile

Look into my eyes
Tell me what you see
My dear
Where you used to see a smile
Now all the while
You see a tear

I hate to be acting this way
But there seems to be
Just one thing to say
I love you, I love you, I love you, I love you
I do
