

# Lobo, Let Me Down Easy

(Lobo)

Let me down easy  
Let me down slow  
Let me down easy  
If you're gonna go  
Bring me down slowly  
Then let me off low  
Let me down easy  
If you're gonna go.

You had me way up in the air  
But you were there to see me through  
You had me way above the trees  
Now you're leaving me  
But I ask of you  
I could do without you here  
If I had a year before you go  
Like the wind I'll drift around  
Until I've found a way to show - that you must
