

# Lobo, Spendin' Time, Makin' Love And Going Crazy

(Troy Seals / Eddie Setser / Mark Gray)

I don't have to try to love you  
I just happens naturally  
I don't close my eyes to touch you  
Cause I don't have to make believe

When I'm with you darling  
The feeling's just too much

Spendin' time makin' love and going crazy  
Every time going out of my mind over you  
Spendin' time makin' love and going crazy  
With you

I keep on falling for your love songs  
Cause you keep singing something new  
I don't need a secret lover  
Cause love begins and ends with you
