

# Lobo, Teach Me Tonight

(Gene DePaul / Sammy Cahn)

Did you say I've got a lot to learn  
Well, don't think I'm trying not to learn  
Since this is the perfect spot to learn  
Teach me tonight

Starting with the ABC of it  
Right down to the XYZ of it  
Help me solve the mystery of it  
Teach me tonight

The sky's a blackboard high above you  
If a shooting star goes by  
I'll use that star to write I love you  
A thousand times across the sky  
One thing isn't very clear, my love  
Should the teacher stand so near, my love  
Graduation's almost here, my love  
So teach me tonight
