

# Local H, No Fun

Yeah

Depression is obsession and there's not a lot of lessons to be learned now  
We're chosen by the dozen with the pots are barley buzzing and we're burned out

And it's no fun  
Yeah, it's no fun  
Well, it's no fun

I think I'm going crazy but it's maybe not the crazy that you're used to

It's no fucking fun (x3)  
It's no fucking fun, yeah

The singer's in a ringer 'cause the songs he's been a singing ring of bullshit  
The drummer's been a bummer, it's been one hell of a summer and who needs it?

Well, it's no fun  
Yeah, it's no fun  
Well, it's no fun

I think I'm going crazy but it's maybe not the crazy that you're used to

It's no fucking fun (x4)

Well, it's no fun  
Yeah, it's no fun  
Well, it's no

It's no fucking fun (x32)
