I believe in someone
I believe in someone
You change my mind all the time the only one I know
I know it's kind of sudden
But I believe in someone
I couldn't say - how this would play
I've made my purpose clear
I believe in someone
I believe in someone
I believe in someone I believe in ones I love

I've never been this naked
I don't think I could fake it
It's as I've feared - I don't feel scared
I'd trick you if I did
Can I tell you something?
I believe in someone
That someone's you
And I'd tell the truth
But you've never asked me to
I believe in someone I believe in someone
I believe in someone
I believe in ones I love
