

# Lock Up, Catharsis

In flesh so weak  
Damnation - takes human form  
Through mans perversions - unfold

Redemption - forged in flames  
Deviant souls laid waste

Eradication - of all free thought  
desperation - finish us off

Catharsis- catharsis

Abide the ordeal - devoid of hope  
Manifestation - dead end approach

Cursed waste - cold - hate - neglect  
Serpents - martyrs - demons

Humanity torn, raped by the spawn of neglect
