

# Locust, The Girl With The Fairytale Dream

Care - I know you want to care  
Love - I know you really love  
That someone is waiting: the girl with the fairytale dream

Touch - I know you gently touch  
Fear - you have no need to fear  
That someone is waiting: the girl with the fairytale dream

Share - I know you long to share  
Need - you had your time alone  
That someone is waiting: the girl with the fairytale dream
