

Lodger, Radio

Too heavy to float
Too light to sink
I think less
Than speak I think
My eyes too open
To see anything
My heart too full
To feel a thing
Chorus x 2:
Turn me off
Like you turn off radio
Burn my books
And all that I've done
Take away security
Give back my purity
My mouth too full
To say a word
MY ears too big
That's what I heard
Chorus x 6
Radio (Repeat x 14)
