

Lodger, Short Man On Tv

Receding hairline
Woman that ain't mine
Short man on TV
He's a fucking swine
Staying home to dine
White bread, red wine
I should be sick
But I'm feeling fine
I am seeing things
and things look ugly
and things look ugly
Electric moonshine
Disconnect the line
Short man on TV
He's a fucking swine
I'm seeing things
and things look ugly
and things look ugly
and things look ugly
