

# Lodger, Truck Driver

I gotta truck, it's not my truck  
I've been driving it for years I can call it my truck  
Owned by a company that pays my bills, decides my wills  
And tells me where to take these frigerators, generators

What the fuck, are acrigators?

Low rider, screwdriver, sweet and low truck driver  
Low rider, screwdriver, sweet and low truck driver

Got one friend, honest and dumb  
Lowlife scum, who hates his life  
Drinks my liquor, bangs my wife  
And mows the lawn, while I am gone

Low rider, screwdriver, sweet and low truck driver

Hold me baby, take a seat and hitch-hike

Low rider, screwdriver, sweet and low truck driver

I'll take you to, my Heaven on wheels

Low rider, screwdriver, sweet and low truck driver

I like high heels, I'll show you how it feels to be

Hold me baby  
Hold me baby  
Hold me baby  
Hold me baby

Low rider, screwdriver, sweet and low truck driver  
Low rider, screwdriver, sweet and low truck driver
