

Lodger, Two Smiles Is A Long Walk

my head
is like a bed
useful only when
you lie down.

your head
is a classy bar
no shirt, no shoes,
no service.

my head is like a bed
useful only when you lie down.
your head is a classy bar
no shirts, no shoes, no service.

We can sit, eat and talk
but two smiles is a long walk.

my head
an old featherweight
technical K.O.
every fight.

your head
like a grave
and I dig it
every night.

We can sit, eat and talk
but two smiles is a long walk.

We can sit, eat and talk
but two smiles is a long walk.
