

# Lodgic, Another Side

I've been thinkin',  
There's something wrong between us,  
I don't know what's wrong,  
But I think I've got an idea,

(Chorus)  
If you let me see,  
Another side of you,  
I'll let you see,  
Another side of me,  
Another side of me, yah,

I've been tryin',  
To tell you this,  
But you won't listen,  
So I'm gonna tell you again,

(Chorus)  
But you won't listen,  
But you won't listen,  
I'm dreamin' that you'll listen,  
To me,  
To me,

(Chorus)  
Another side of you,  
Another side of me,  
Another side of you,  
You listened.
